FAQ:

Q: May I ask what's difference between FSTN and DFSTN?

A: FSTN is the material for positive LCD,white background with black character;DFSTN is for Negative LCD,black background and white character.Which one is better depends on the customer's requirement.

Q:I only want to change the FPC pin number,is it possible?

A:Yes,no problem,We could only tooling the FPC for you.

Q:Do you any similar size OLED?

A:Yes,we have 0.96 inch OLED,pls check my product catalog.
